

Psalms 8

1 O Lord, our Lord, how excellent is thy name in all the earth! who hast set thy glory above the heavens.

As this verse starts it reminds us of how powerful God is. One version says how Majestic is Your name. God's Glory is everywhere.

One dictionary defines Majestic as having supreme authority and power. As you go about your day look then look again.

Now ask yourself:

1. Does God have supreme authority and power over you?
2. Do you see God's Glory in even the small details of a second look?

Begin to ask God is this what you want me to do, remember just because it's a good thing does mean it's a good think for you.

Psalms 9

**9 The Lord is a refuge for the oppressed,
a stronghold in times of trouble.
10 Those who know your name trust in you,
for you, Lord, have never forsaken those who seek you.**

This scripture let us know that God will always be there for us. The song writers say

1. He knows my name
2. The battle is not your it belongs to the Lord.

When trouble comes and they will come, we must remember to put our trust in God. He will never leave us nor will he forsake us.

As you go about your daily routine, who are you trusting in: wait is it really God, or yourself maybe it's someone else? Think about this question if it's not God rethink your decision.

Psalms 10

**1 Why, Lord, do you stand far off?
Why do you hide yourself in times of trouble?**

The Lord is always by our side, sometimes it feels as if He's not there. But He is everywhere at all times.

He wants to know if you trust Him, do you believe His word? He said He would never leave us nor will he forsake us.

So ask yourself did I walk away from God? If so come back to Him it's very simple. Roman's 10:9-10 read it renew your faith in God. Trouble don't last always but God is eternal.

Psalms 11

1 In the LORD I take refuge. How then can you say to me: “Flee like a bird to your mountain.

As human we take it upon our selves to fight or take flight. Fear takes over a Faith began to failure. The outlook it dim I can't but we have a God who can and has given us the ability to do all things through Christ who strengthens us. We are more than a conquer flight fear with faith you can do it trust God.

Psalms 12

4. “They say, “We will lie to our hearts’ content. Our lips are our own—who can stop.

America has become a nation of liars. Studies show that by age four children learn to lie. We lie about our age, weight and height. As Christians we are to service the Lord in Spirit and in Truth.

What was the last thing you lied about? How did it make you feel? Did Holy Spirit convict you?

One of the commandments state that thou shall not lie.

If you have found yourself lying confess to God and ask Holy Spirit to help you to change your ways.

Psalms 13

1How long, LORD? Will you forget me forever? How long will you hide your face from me?

Have you ever gone through a time in your life when you asked yourself “where is God?”

You pray, you read your word, you diligently seek God for an answer you still don't hear God's voice.

We all have been there, God wants us to know that He is always near us and that while we are yet speaking He has already heard and answered our prayers. Isa 65:24

Psalms 14

1. The fool hath said in his heart, There is no God. They are corrupt, they have done abominable works, there is none that doeth good

2. Do you anyone that goes to church, quote scripture and when they get around non believers. They make fun of Christians, laughing at those who say God woke them up this morning, believing it was their alarm clock. Saying if God is real then show Himself. The Bible calls them fools. As a Christian we are to speak up and explain the word of God to them. How start with in the beginning. But remember if you hang around foolish people they are going to influence you or you will influence them. I believe so I spoke. 2 Corinthians 4:13.
